

It takes a village.

Come and be a part of our team.

Quality is what we do. Be a part of it.

As a **Multi-Family Field Technician**, you have the desire and passion to help construct unrivalled multi-family wood frame residential housing. You aren't afraid to roll up your sleeves and put in a hard day's work, maybe even get a little dirty. You have a willingness to learn and understand that safety is a number 1 priority.

Are you ready to join our team and help provide our future residents the opportunity to live in an exceptionally built home?

A Day in the life of a Multi-Family Field Technician.

- Maintain the building site in a safe, clean and orderly condition – inside and out.
- Perform a variety of construction tasks such as framing, siding, roofing, cabinetry, finishing, drywall, electrical, plumbing, mechanical, and construction tune-ups in preparation for occupancy
- Ensure ramps and safety railings are installed and maintained properly
- Maintain a team environment through high-quality communication skills with trades, staff and customers.

What you will bring to the table:

- Post-secondary education/certification in the building trades (e.g. carpentry, drywall, plumbing etc.).
- 3 – 5 years of experience in a multi-family or commercial construction environment
- Familiar with hoarding heating techniques to provide temporary enclosures for climate control
- Comfortable working from heights
- Strong ability to multi task; be proactive; and understand attention to detail
- Must have a sense of urgency and an ability to meet tight deadlines
- Well-developed communication skills
- Ability to react well under pressure and treats others with respect while solving problems
- Current working knowledge of building codes, construction methods, and building materials
- Valid Standard First Aid, CSTS and WHIMIS Certificates, and valid Driver's License.

As a 2018 Best Managed Company, we will provide you the following:

- Flexible health and dental coverage
- Employer matching Group RRSP Program
- Customized Training Programs
- Opportunity for growth and career advancement
- Employee Discounts
- On-Site Gym
- Extensive community and volunteer involvement

Do you see the magic? Are you ready to be part of the lifestyle? Join the award winning Jayman BUILT team and contribute to our exceptional track record, with over 25 thousand homes built in the last 38 years. Please send your resume and cover letter to <https://www.fitzii.com/apply/27648> no later than March 16, 2018.

We thank all applicants for their interest; however only those selected for an interview will be contacted. No telephone or agency inquiries please.
